

Martin Luther Academy Athletic Contract / Permission Slip

As a student athlete, parent, coach, or fan at Martin Luther Academy, it is your responsibility to be Christian examples in all of your words, expressions, and actions. It is our goal to show a Christ-like example to officials, coaches, players, and parents. Failure to comply with these instructions will result in removal from athletic events (athlete or fan), suspension, or expulsion from the team (depending on the level of infraction).

At Martin Luther Academy, we believe that Athletics should not affect Academics. It is your duty as a student to do the very best that you can in the classroom. Doing your best includes staying on task, completing assignments, and obeying your teachers. Guidelines for participation are in the Athletic and Student/Parent Handbook are still in effect for those sections that are pertinent when representing our school.

I agree that I will keep this contract while being a participant or spectator in any and all athletic events. If I fail to keep this contract (depending on the infraction) I forfeit my right to participate in athletic events at Martin Luther Academy. Any infractions will be decided by the athletic director or principal. The MLA Student/Parent Handbook is still in effect for those sections that are pertinent when representing our school.
